For all those interested in long distance unicycling, you will definitely want to take part in the Paris to Ancaster 35km or 60km ride taking place on April 19th.

Check out <http://www.parisancaster.com> for more details and registration.

There is a dedicated unicycle category which was created a few years ago due to the past attendance of Toronto Unicyclists members.

Don't miss it! There is already a unicyclists signed up!
